Kelly Wipple

Michael Schnoes

Chad Morman

Dave Destival

Approval

1. Welcome and introductions
 - a. Two new Instructors: Michael Schnoes & Chad Morman
2. Discussion of the purpose of the Advisory.
3. Discussed the Critical Competencies/Essential Skills of Employees handout. Signed off if Approved.
4. The group looked through Program of Study binders at Assessments for each class taught in Ind Tech. Signed off if Approved.
5. The group looked through Program of Study binders at Assessments for each class taught in Ind Tech. Signed off if Approved.
6. Each instructor went through the Greene County Industrial Technology/ Engineering Education Class Flow Chart and explained what was taught in each class. The instructors pointed out what classes are articulated with Iowa Central Community College. There was input from members of the Advisor on ways to improve the classes.
7. We had a long discussion about the construction class. We have not sold the past house. We are building a house this year for Kyle Kinne.
