November 2019

We are Appreciative!

Dear Friends and Alumni,

Each year parents watch with anticipation the numerous firsts and lasts their child experiences. It may be the first day of school for a 4 year old or the last time a parent watches their child on the football field. We are proud to have stood with parents, watching their children grow and learn through the years.

You have also been a part of these firsts and lasts. Thank you for your recent support of our school foundation. We would be remiss if we didn't take every opportunity to express our appreciation. Our economic times are stressful, and every donation is a sacrifice.

The projects listed below were made possible or enhanced by your contribution. Hundreds of students and dozens of teachers were impacted by these initiatives:

Scholarships	**Books for the Library**
Elementary Music	**Classroom Sound Systems**
Middle School Music	**Classroom Projectors**
High School Music	**Positive Behavior Intervention Supports**
Middle School Athletics	**High School Athletics**

Please consider another donation to help our youth and teachers. You have the opportunity to target your gift and no dollars are spent on fundraisers, salaries, etc. Please remember that gifts to the foundation are tax deductible.

We sincerely appreciate your generosity; we realize that for continued success every classroom must attract passionate teachers and have motivated students. Thank you for sharing in this endeavor with us!

Respectfully,

Greene County School Foundation Board Members: Bruce Bahnson, Tim Christensen, Pat Gorman Richards, Sam Harding, Scott Johnson, Sid Jones, Karen Lawton, Keith Pedersen, Jan Scharingson
