The open forum is on the agenda to allow patrons of the district to communicate with the entire board. We will allow no more than 5 minutes for individuals, slightly more for organized groups. We will not, however, allow criticism of individual employees of the district that would be detrimental to the reputations of that employee. Those comments must be directed to the board through a grievance procedure, a copy of which may be obtained at the superintendent’s office.

Guests may speak about items on the agenda when the board gets to those items but **must first be recognized by the board chairman**. Speakers should state their name to introduce themselves before addressing the board.
